Hello Mayors,

Last year before we left for Washington, DC, Senator-Elect Begich held a conference call with Mayors across the state. We got a lot of good feedback from folks that they appreciated the opportunity to do this.

We have a Mayor's call scheduled for February 8. The details for the call are below.

If you are unavailable to listen in but you'd like to have a representative, that is fine. We welcome representatives from all communities.

Topics for this call:

1. The February 19 appropriations application deadline and process.
2. Upcoming JOBS bill
3. General update on other topics
4. Other

If you plan to join the call, please reply to this message so I can get a basic list of who might be on.

Thanks! Leslie
