

WE NEED A WHITTIER HARBORMASTER!

Why should you look at this? Because we offer top pay, a great work environment, and the chance to be part of leaving a legacy.

If you want to earn above average pay while working with a professional, progressive management team that has fun while getting more done than ever before – then Whittier offers that and so much more to an experienced professional ready to join Whittier's renaissance.

The City

Whittier is a small, cozy town on the road system about 60 miles south of Anchorage. It is extraordinarily beautiful and pristine with ample year-round opportunities for outdoor enthusiasts of all kinds. Feel like you're far from civilization while enjoy boating, fishing, hiking, and hunting while being only an hour away from the conveniences of Alaska's largest urban center. City management has undergone a profound change in the last couple of years with a leadership team composed of highly experienced professionals eager to take Whittier into its future.

The Position

Whittier is looking to complete its professional team with a dedicated, experienced Harbormaster with knowledge of Alaskan coastal communities. Under the direction of the City Manager, the Harbormaster will be responsible for the supervision, operation, and overall direction of Whittier's harbor district.

Ongoing Projects

Whittier is growing and harbor services are in high demand. The Harbormaster will participate in envisioning and executing next steps to bring efficiency and beauty into Whittier's harbor district. Current projects include a breakwater and four-lane boat launch ramp at Whittier's head of the bay, welcoming a 50% increase in cruise ship visitors in 2021, and redeveloping the waterfront to be more attractive and user-friendly to locals and visitors. The incumbent will also work with Whittier's highly effective state and federal lobbyists to acquire funding to replace an aging harbor infrastructure.

WHY YOU SHOULD APPLY

- Great pay
- Excellent work/life balance
- Become part of a professional, fun team
- Excellent benefits
- 20 days PTO
