

UNALAKLEET TRAVEL BAN

The Native Village of Unalakleet, Unalakleet Native Corporation and the City of Unalakleet have come together with one goal in mind.

Our goal is to reduce the entrance and spread of COVID-19 into the community.

EFFECTIVE: MARCH 25, 2020 AT 11:59PM

There will be no passenger transportation in and out of the village until May 1, 2020. Residents wishing to return home should do so immediately with a mandatory two-week quarantine upon return.

Local agencies will reevaluate the ban three weeks later on April 15, 2020; with no positive cases, we will consider moving to a highly restrictive travel ban.

The following are exceptions to the travel ban:

1. Essential personnel for emergencies (i.e. electricity, water, or sewer repairs) with a screening by a travel committee consisting of NVU, COU, and UNC elected members
2. Essential medical travel and freight:
 - a. NSHC will need to get important medical supplies in and out of UNK,
 - b. patients will need to travel in and out of UNK,
 - c. NSHC medical providers will need to travel in and out of UNK; however, all NSHC medical providers must go through a two-week quarantine prior to coming to UNK
3. Freight, cargo, and mail services are still permitted.

Flight crews are asked to stay in aircraft if possible. However, they may conduct any necessary business required by their job or use the bathroom if needed. No locals or cargo handlers are allowed on board the aircraft.

Bering Air

Ravn

Ryan Air
