Emergency Executive Order 2020-01

Mayor Lloyd Davis has ordered an Emergency Executive Order for the City of Kake to "Hunker Down" for all Residents, Effective 3/23/2020.

1. Hunker down and shelter in place to prepare for and mitigate the severity of a COVID-19 outbreak in Kake.
2. Critical supply chain and service businesses remain open for business. These include: grocery stores, gas stations, healthcare providers, clinics, banks, communication service businesses, utilities, agriculture including fishing, and government functions.
3. **DO NOT PANIC BUY OR HOARD.** All critical supply businesses will remain open for business.
4. Non-critical businesses are encouraged to close to public access and provide business via phone and internet for pick-up and drop-off service only.
5. If capable of working from home please work with your employer to do so. Conduct business via telephone or electronic means as much as possible.
6. If healthy, and not symptomatic, make **limited trips to open businesses** to purchase food and supplies without lingering in areas where other people are shopping.
7. If out of the home, observe excellent hygiene, including hand washing or hand sanitizing whenever possible. Clean surfaces after use.
8. Practice social distancing whenever in the company of other people and maintain **at least six feet of separation.**
9. Enjoy outdoor activity while practicing social distancing. If in the company of someone from outside your household maintain a minimum separation distance of six feet.
10. If you are returning to Kake from any other community, self-isolate within your home for 14 days to contain any possible COVID-19 transmission to other Kake residents. If you live in a home with someone who has just returned from outside of Kake, social distance within the home.
11. If you think you have been exposed to COVID-19 and develop a fever and symptoms such as a cough or difficulty breathing call your healthcare provider at 785-3333 immediately for medical advice. If you are sick or suspect that you may be infected with COVID-19, you should take steps immediately to help prevent the spread of the virus in your home and the community.
12. Follow all Health Mandates and Alerts issued by Governor Dunleavy and the Alaska Department of Health & Social Services (DHSS) and the Center for Disease Control (CDC).
13. Offer assistance to those in need. If you are healthy, offer to assist someone in quarantine with shopping or gathering supplies outside the home
