Emergency Order #2

The health and wellbeing of Ouzinkie is top priority. With a confirmed case on Kodiak Island, it is imperative the community works together. We can take steps to slow and hopefully contain the threat, but those steps require coordinated community action. This order is put forward to preserve the health and safety of our community, and help protect the most vulnerable members of Ouzinkie.

- 1) Ouzinkie residents shall stay at home as much as possible, except to pick up freight/groceries, or to get fresh air. Stay at least 6ft away from people outside of your household, this includes family.
- 2) No traveling, except for medical purposes. This includes air/water travel. Please call/email your grocery orders, or have family/friends shop for you in Kodiak.
- 3) For those who do travel out of Ouzinkie, you and your household are to quarantine for a minimum of 14days.
- 4) NO VISITATIONS. Nobody outside of your household is to enter your home, this includes family.
- 5) Designate person to run errands for the household, usually the healthiest. This includes groceries/freight pick-up at the airport, going to the post office, and fueling up vehicles.

We understand this is changing the daily lives of our community, but it is to ensure the safety and wellbeing of everyone. Please do your best to hold you and your household responsible for these emergency orders.

Issued this 16th day of April, 2020.
