

**A JOINT RESOLUTION OF THE CITY OF LARSEN BAY AND THE NATIVE VILLAGE OF LARSEN BAY REGARDING TRAVEL IN AND OUT OF LARSEN BAY MEASURES TO PROTECT THE HEALTH, WELFARE, AND SAFETY OF THE RESIDENTS OF THE CITY AND NATIVE VILLAGE OF LARSEN BAY AFTER COVID-19 IS ON KODIAK ISLAND**

**Resolution No. 20-07**

The City of Larsen Bay has developed a list of expectations regarding travel in and out of our community, since the first positive case of COVID-19, was confirmed on Kodiak Island. These expectations are based on the State of Alaska Covid-19 Health Alert 9.1/9.2 issued on March 20, 2020, Covid-19 Health Mandate Number 4 issued on March 17, 2020, Covid-19 Health Mandate Number 10 issued on March 23, 2020, Covid-19 Health Mandate Number 11 issued on March 27, 2020, and Covid-19 Health Mandate Number 12 issued on March 27, 2020. **Now that the 1<sup>st</sup> positive COVID-19 in Kodiak, all travelers are required to obtain a COVID-19 health clearance from a Doctor, in Kodiak, at your own expense.**

**SMALL COMMUNITY TRAVEL RESTRICTIONS AND EXCEPTIONS (Health Mandate 012: Intrastate Travel – Limiting travel between communities to critical infrastructure or critical personal needs. Attachment B Amended 9 April 2020)**

**II. SMALL COMMUNITY TRAVEL RESTRICTIONS AND EXCEPTIONS**

a. A Small Community may adopt travel restrictions that are more restrictive than otherwise permitted in Health Mandate 012 subject to the limitations below.

b. Notwithstanding Subsection II.a. above, Small Communities may not prohibit or restrict in any manner the following travel: Emergency First Responders (includes fire, ambulatory services, and other similar emergency first responders).

- i. Law Enforcement acting within their official duties (this includes federal, state, and local law enforcement personnel); and
- ii. Office of Children's Services personnel responding to reports of child abuse and neglect and insuring child safety.
- iii. Essential Governmental Services personnel needed to ensure the continuing operations of government agencies including to provide for the health, safety, and welfare of the public.
- iv. Persons engaged in subsistence fishing and in the fishing, industry including the fisherman, processors, guides, and transporters of the fish as well of those under contract with the fisherman, processors, guides, and transporters for provisioning; and
- v. Residents returning to the resident's home from outside the Small Community that show no signs or symptoms of COVID-19.

c. A Small Community may, in regards to Essential Government Services personnel traveling pursuant to Subsection II.b.iv., take the following actions:

d. Require personnel to wear face coverings as recommended in Health Alert 010 issued April 3, 2020 by the Department of Health and Social Services (DHSS) when personnel are in the Small

Community; ii. Reasonably limit access of personnel to laundromats, grocery stores, gas stations, convenience stores, and hardware stores to certain hours of the day to limit the physical interaction of residents and personnel; and iii. Prohibit personnel from entering residences in the community that are not their own lodgings.

d. A Small Community may, in regards to personnel traveling pursuant to Subsection II.b.v. and businesses employing such personnel, take the following actions:

- i. Require businesses to submit the travel plan or protocol that the business submitted to the Department of Commerce, Community and Economic Development pursuant to Health Mandate 010 or 012 to the community, and the Small Community may enforce the provisions of that plan;
- ii. Require businesses to provide their plan for how they intend to quarantine personnel who develop a fever, cough, or shortness of breath (collectively “Symptoms”) while in the Small Community;
- iii. Require businesses to provide their plan for how they intend to provide their own medical evacuation;
- iv. Require screening for Symptoms a minimum of 48 hours (“Health Screening”) prior to traveling to the Small Community and prohibit personnel who manifest any Symptoms during this screening from travelling to the Small Community;
- v. Upon arrival in the Small Community, require a Health Screening, if requested and reasonably available, and prohibit personnel who manifest Symptoms from staying in the Small Community;
- vi. Require all personnel covered by Subsection II.b.v to wear face coverings as recommended in Health Alert 010 issued April 3, 2020 by DHSS when personnel are outside their personal lodgings and in the Small Community;
- vii. Reasonably limit access of all personnel covered by Subsection II.b.v to laundromats, grocery stores, gas stations, convenience stores, and hardware stores to certain hours of the day to limit the physical interaction of residents and personnel; and
- viii. Prohibit all personnel covered by Subsection II.b.v from entering residences in the community that are not their own lodgings.

All personnel covered by Subsection II.b.v traveling to work in a Small Community from outside the State of Alaska must comply with Health Mandate 010, including the requirement to self-quarantine for 14 days once they arrive. Such personnel required to self-quarantine may do so at their work location in the Small Community in which they will ultimately work, or within 50 miles of any Alaskan community on the road system that has a population greater than 25,000 people.

e. A Small Community may require its residents returning to the village pursuant to Subsection II.b.vi. To self-quarantine in the individual’s residence for up to 14 days following their return and take other reasonable measures to prevent that individual from spreading the virus that causes COVID-19.

**The city of Larsen Bay, in regards to personnel traveling pursuant to Subsection II.b.v. and businesses employing such personnel, are required to follow all requirements of Subsection II.d.i. – viii and quarantine required in subsection II. Specifically, the city of Larsen Bay,**

**requires all to submit the above listed plans and / or protocols, to the city of Larsen Bay for review and approval. Provide a copy of “Health Screening” (para iv) of each individual, at no expense to the city of Larsen Bay.**

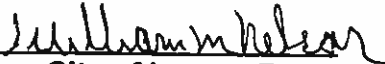

**UNTIL FURTHER NOTICE, LARSEN BAY WILL OBSERVE THE FOLLOWING:**

- 1) Non-essential travel is not recommended for the residents of Larsen Bay at this time. For the purposes of this list a “resident” is defined as a **person who currently lives in the community.** **NOTE: Any traveler, (resident or visitor) arriving in Larsen Bay is required to complete a 14-day quarantine. If quarantined in with friends or family, all members of the host house, will quarantine for the same 14 days, and are subject to the same quarantine rules.**
- 2) All Residents who travel out of Larsen Bay or farther than Kodiak, are to self-quarantine for 14 days in KODIAK, prior to your return home. After receiving medical clearance of no infection of COVID-19, then are expected to observe another self-quarantine of 14 days at the residence of their host in Larsen Bay.
- 3) Emergency personnel, are expected to travel to Larsen Bay only if necessary, for the purpose of ensuring continued services to the community. Personal contact with community residents is to be avoided.
- 4) Visitors traveling to Larsen Bay, are expected to observe a self-quarantine of 14 days in KODIAK prior to traveling to Larsen Bay then after receiving medical clearance of no infection of COVID-19, then are expected to observe another self-quarantine of 14 days at the residence of their host in Larsen Bay, which your host will also be required to self-quarantine, for the same 14-day period.
- 5) The State of Alaska has not indicated any plan to close our airstrip, and Island Air is committed to continued delivery of mail and freight. Please note pilots have been instructed to maintain the recommended 6 feet social distancing. If you need to meet any flights, you are expected to remain in your vehicle until the pilot gives you instructions to come forward and retrieve your freight, board the plane, etc. It is advised to store cardboard parcels OUTSIDE your home for at least 24 hours before unpacking OR wear gloves while unpacking and immediately wash your hands afterwards. Please be advised these expectations will remain in effect until such time as any confirmed cases of Covid-19 are identified on Kodiak Island. In this event the City of Larsen Bay will re-evaluate and decided on appropriate course of action.
- 6) Travel to Larsen Bay for recreational, business, and non-emergency reasons are not permitted.
- 7) Travel to Larsen Bay of nonresidents is not permitted.
- 8) If you wish a travel exception, to the above Larsen Bay travel restrictions, you must file a **CITY OF LARSEN BAY TRAVEL DECLARATION FORM** to the city of Larsen Bay, **Now that the 1<sup>st</sup> positive COVID-19 in Kodiak, all travelers are required to obtain a COVID-19 health clearance from a Doctor, in Kodiak, at your own expense, and to get it approved by the Mayor, William Nelson.**
- 9) Due to the rapid spread of COVID-19, the high incidence of travel-related infection, and the lack medical service beyond very basic emergency care, and evacuation (which may be difficult because of weather) the City of Larsen Bay has instituted a mandatory 14-day quarantine for all incoming passengers in Kodiak, before traveling to Larsen Bay. Then another 14-day quarantine for all incoming passengers once they arrive in Larsen Bay. **(Quarantine in Larsen Bay means: you will stay in your house of Quarantine, outside you are not allowed to leave your Quarantine house’s yard. You must make arrangements for delivery of any food, freight,**

or mail. Without making contact with the delivery person. In addition, if you are stay with someone in Larsen Bay. Once you enter their home, they are also quarantined for the same 14-day period. They will be required to sign the CITY OF LARSEN BAY TRAVEL DECLARATION FORM, and understand this requirement, before you are approved to come to Larsen Bay).

Please respect the need to keep our community safe, especially our most vulnerable residents. Our clinic is a wonderful facility, but it is not equipped to provide in-patient care, should the resources in Kodiak and Anchorage become unavailable to us.

**CITY OF LARSEN BAY TRAVEL DECLARATION FORM MANDATORY  
DECLARATION FOR ALL PASSENGERS**

Due to the rapid spread of COVID-19, the high incidence of travel-related infection, and the lack medical service beyond very basic emergency care, and evacuation (which may be difficult because of weather) the City of Larsen Bay has instituted a mandatory 14-day quarantine for all incoming passengers in Kodiak, before traveling to Larsen Bay. Then another 14-day quarantine for all incoming passengers once they arrive in Larsen Bay. **(Quarantine in Larsen Bay means: you will stay in your house, if you go outside you are not allowed to leave that house's yard. You must make arrangements for delivery of any food, freight, or mail. Without making contact with the delivery person. In addition, if you are stay with someone in Larsen Bay. Once you enter their home, they are also quarantined for the same 14-day period. They will be required to sign this form, and understand this requirement, before you are approved to come to Larsen Bay).** The potential for widespread transmission of COVID-19 by infected individuals entering Larsen Bay threatens the health and well-being of residents of Larsen Bay. In an abundance of caution and to assist in stopping COVID-19 entering Larsen Bay, to protect the public health, is implementing advanced protocols to ensure all travelers arriving in Larsen Bay participate in 14 consecutive days of self-quarantine to begin immediately upon arrival, allowing for travel from point of arrival, to the designated quarantine location.

**With the 1<sup>st</sup> positive COVID-19 in Kodiak, you will be required a COVID-19 health clearance from a Doctor in Kodiak, at your own expense, as well as completing this form.**

**MANDATORY 14-DAY QUARANTINE FOR ALL INCOMING PASSENGERS.**
