City and Borough of Sitka Electric Department

With over 70 years of combined experience providing electrical services to the citizens of Sitka, Alaska, long-time friends who have worked at the Utility are on their way to enjoy new adventures. City and Borough of Sitka seeks positive, highly self-motivated individuals to join our municipality-owned utility team due to these retirements. City and Borough of Sitka seeks individuals with the requisite technical skills and knowledge but who also can work effectively with a variety of local and state officials, other Sitka employees, and third parties serving the Utility.

The Sitka Electric Utility Department has 30 FT staff, 25 of whom are represented by the IBEW. The Utility includes a 36 MW hydroelectric plant, 27 MW diesel generation with a 24.5 MW peak load and 69 kV transmission; distribution to population 8,900; 3 major seafood freezer plants, and had a major hydro expansion completed December 2014.

Three Positions Available: Generation Systems Manager (non-represented); General Foreman (IBEW-represented); Journey Line Worker (IBEW-represented).

The job descriptions for each vacant position are available at www.cityofsitka.com.

Benefits: PERS and SBS retirement packages; medical, dental, vision insurance for employee and dependents; paid holidays, annual, sick leave and floating holidays; life insurance; clothing allowance as prescribed in Agreement and policies; employee assistance program. A wide variety of voluntary supplemental benefits available to CBS employees.

Job applications are also found at www.cityofsitka.com. Call (907) 747-1816 or email hr@cityofsitka.org with any questions or to return applications.
