City and Borough of Sitka Electric Department – Relay/Control Technician

Looking for a positive, highly self-motivated team player to perform electrical preventive maintenance and repairs on hydroelectric and diesel generation facilities, substations, switchyards, SCADA systems and industrial controls as well as willing to perform duties of other employees as required or assigned. Work is performed under the direct supervision of the Electric Generation System Manager, but considerable leeway is granted for the exercise of independent judgment and initiative. Maintain effective working relationships with other Department and City employees, contractors and the public. Principal duties are performed in power generation facilities and in an outdoor environment which may involve adverse weather conditions and related hazards in which the employee is subject to potential personal danger. \$49.72/hr with benefits.

Open Until Filled. EOE.
