

**Alaska Municipal League  
Resolution #2020-15**

**Considering unacceptable the reductions to funding for the Alaska Marine Highway System in FY20 and the changes to the winter schedule; opposing any further reduction to the System's budget and supporting reform that is sustainable and responsive to the needs of coastal communities.**

**WHEREAS**, the Alaska Marine Highway System is a fundamental and critical method of transportation for Alaska's coastal communities; and

**WHEREAS**, State investment in the AMHS produces a return on State funding almost two to one, facilitating both economic and community development; and

**WHEREAS**, State government does not experience that return without a broad-based tax, but local tax bases rely on an active and fully functioning ferry system; and

**WHEREAS**, the reductions in FY20 revenue and the corresponding winter schedule, which eliminated service in some communities for as much as six to eight months, creates a health, safety and economic crises in those communities; and

**WHEREAS**, local governments have little say in the structure of the ferry system, and are not in a position to act in the State's stead; and

**WHEREAS**, it remains the fact the local governments feel incredible responsibility for the lives and livelihoods of residents, for whom the winter schedule is untenable; and

**WHEREAS**, while the State works toward long-term solutions, local governments have demanded that funds be appropriated such that communities see continued service; and

**WHEREAS**, until the State has finalized a negotiated, long-term solution that includes local governments, further reductions to the system are clearly detrimental to the well-being of Alaskans; and

**WHEREAS**, local governments recognize the challenges facing the ferry system, but dismantling it further will not result in a viable future; and

**WHEREAS**, there is not a scenario in the future economy and communities of coastal Alaska that the ferry system does not play an integral part.

**NOW, THEREFORE BE IT RESOLVED** that the Alaska Municipal League considers unacceptable the reductions to funding for the Alaska Marine Highway System in FY21 and the changes to the winter schedule for many ferry-dependent communities; and

**BE IT FURTHER RESOLVED** that the Alaska Municipal League opposes any further reduction to the System's budget and supports reform that is sustainable and responsive to the needs of coastal communities.
