

Native Village of Eek

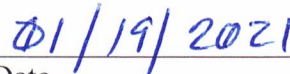

January 19, 2021

RE: Updated Mandates for COVID-19

The Native Village of Eek has implemented the following precautionary measures for Eek for the safety & well-being of the community. The following document is updated. All of these measures listed are **MANDATORY!**

- Lockdown extended to February 28, 2021. Due to high rates.
- Anyone traveling to Eek by air, land, water must get permission by calling 536-2188 for travel authorization -Monday -Friday. Please call ahead of time before the weekend.
- No non-essential travel.
- Anyone traveling to/from anywhere: villages, Bethel, Anchorage & beyond are **REQUIRED to quarantine regardless of the test result for 14 days.**
- If a person took both doses of vaccination, they do not need to quarantine after traveling BUT still need to get tested and be cautious and follow CDC guidelines, and they still need to wear masks to be safe.
- All of the family member(s) in the same household are required to quarantine.
- Only residents of Eek are allowed in and out of the community. (all non-residents will be asked to return home)
- Any non- residents MUST call the Tribe and ask for permission to enter the community.
- As of, November 12, 2020 anyone returning from travel is required to take a test here at the clinic 5-8 days after arrival. Please call the clinic to make an appointment @ 536-5314.
- City/Tribal Office will be closed to the public. Please call for assistance. City 536-5129, Tribe 536-5128/2188 & Water & Sewer 536-5750.
- All community members must wear a mask while out in all public places and practice social distancing.
- All other organizations -i.e. construction, YKHC, LKSD, etc. must call the Tribe to ask for permission to enter. They must also provide documentation of a negative COVID-19 test result before entering the community.
- Essential staff: police, health aides, water plant operators, Post Office and AVEC plant operators will be allowed back to work only during an emergency.
- Follow City ordinance curfew
