

Kenai Peninsula Borough

Safety Manager - Risk Management

Salary: \$78,417.00 - \$93,266.00

The Kenai Peninsula Borough is currently recruiting for a Safety Manager in Risk Management. Under the general direction and supervision of the HR Director or designee, the Safety Manager is responsible for the operational safety functions of the Kenai Peninsula Borough, the Kenai Peninsula Borough School District, and the service areas within the Borough. In addition to managing the position within the Risk Management Office, this position also reviews the safety protocols and procedures set forth by the safety officers within the emergency services.

Minimum Qualifications: High school diploma or GED and a bachelor's degree in business or safety-related sciences in addition to 6 years of exclusive safety experience at the management level not ancillary to other responsibilities. In lieu of degree requirements, 6 additional years of progressively more responsible roles in safety management which included reporting and safety training experience. Experience working with sensitive and confidential information. Intermediate skills in MS Word, Excel and Outlook. Must possess proven leadership abilities and strong interpersonal skills, and demonstrate strong written and verbal communication skills. Must have a valid, unrestricted Alaska driver's license to perform the requirements of the position.
