Qualifications:

Applicant must be 18 years of age. Must possess a valid Alaska Driver's License. No felony or disqualifying criminal history. Must pass a complete a drug test, physical exam, and demonstrate excellent physical health. Frequently lift and/or move up to 50 pounds, and occasionally lift and/or move more than 100 pounds. Specific vision abilities required by this job include close vision, color vision, distance vision, peripheral vision, depth perception, and the ability to adjust focus. Must have high school diploma or GED equivalent.

The successful applicant will comply with the following during the entire span of employment:

- Possess or obtain and maintain current Alaska Paramedic Certificate or National Paramedic Certificate
- Three years of Emergency Medicine experience
- One year of Emergency Medicine experience at current level

Responsibilities:

Mental alertness, mechanical aptitude, ability to get along well with others, willingness to perform any task assigned, conscientious and dependable, and good physical condition. Position is based on a flexible 48-hour work week. At the discretion of the EMS/Fire Department Coordinator, the employee may be required to be on-call for four night shifts each week, which may require overtime.

The Paramedic must participate in at least 70% of the required training for the season.

Subject to random drug testing.

The Paramedic will be expected to respond and work in less than ideal conditions.

He/she may have to enter hazardous atmosphere areas and will be expected to work in safe manner.
