

JOB OPENING

**The City of Nome
is accepting applications for:**

Position: Contract City Planner

The City of Nome, Alaska is seeking to hire a Planner to work as a contractor to assist the Nome Planning Commission, City Manager and the Nome Common Council. The planner/contractor would assist in updating the City of Nome's Comprehensive Plan Hazard Mitigation Plan and Historic Preservation Plan. The ideal candidate will seek out planning grants to assist in creating a more livable community. The average hours per month would be 15-20 hrs.

The City of Nome is an off road community in western Alaska and is expecting a major port development to begin by 2023. This port development project will establish Nome port as being the gateway to the Arctic.

The most recent planner who retired was paid an hourly wage plus stipend when visits to Nome were necessary.
