# Now, Deliberate Among Yourselves . . .

- Gather into a group of about 8
- As a group, discuss revenue and spending options
  - Identify at least two options for each that a majority of your group supports to balance the budget
- Select a group member that will report out the options on which the majority agreed

# Our Ask of You:

We need **your** help in engaging  
Alaskans in this important  
discussion!
